

Dear _____

I urge you to **support H.639, An Act investing in public higher education**, and to share that support with your colleagues.

I believe that passage of this bill is important because:

- Adjunct faculty are grossly underpaid, yet they teach up to 70% of the courses offered at public colleges and universities.
- Most adjuncts have 0% access to benefits such as health insurance and pension plans.
- Adjuncts are 100% committed to their students and teaching, yet they never know what their workload will be from one semester to the next.
